Office of the Legislative Counsel

Tuesday - 5 January 1960

Talked with Pat Gray in General Twining's office and furnished him the dates of the four hearings which we now have scheduled. He indicated he would have over to us in the next day or so the paper to be used by Gates and Twining before the Committees for our concurrence per previous arrangements. He also indicated that his Legislative Liaison people indicated some concern that the Committees would not permit Captain Gray to sit in unless the DCI took him along as a member of the CIA group. I informed Gray that for obvious reasons we could not do this and suggested that a personal check with the Chairmen of the various Committees might prove his L&L people incorrect. Gray indicated he would take this approach and call first Representative Mahon.
